18	19	20	21	22	23	24
25	26	27	28	29	30	31
Recycle your Christmas tree — call to arrange a pickup.						

Grease Recycling

You can recycle your used cooking fat, oil, and grease throughout the year. Simply collect your cooking oil and grease in a clean, dry container with a secure lid. Lids are important to avoid spills. Drop off your container at the City of Sierra Vista Compost Facility, located at 7201 E. Highway 90, Monday through Friday, from 8:00 a.m. to 2:30 p.m. Contact Public Works at (520) 458-5775 for more information on grease recycling. Remember to recycle your used cooking oil and grease after Thanksgiving, Christmas, and New Year's Day.

MyWaste App

Managing your household waste in the City of Sierra Vista just got easier! Download the MyWaste app and never lose track of your collection day with a pickup schedule customized for your location. MyWaste can remind you in advance of all holiday changes. Find the proper recycling/disposal procedure for hundreds of materials; learn the location, hours of operation and fee schedules for drop off depots and much more. Visit the City's website and click on the system icon to go to the MyWaste download page for your smartphone or tablet.

Recycle More—Recycling at Work

Your workplace offers a great opportunity to recycle. If your place of business is generating a large volume of cardboard and office paper, think about partnering with the City of Sierra Vista and starting a recycling program. Recycling can help reduce trash collection fees and it's good for our community. Find out how your place of business can start recycling. Call (520) 458-5775 for more information.

Special Pickup Service

If the holiday season has you overloaded, the City of Sierra Vista offers a "Special Pickup" service to Residential Trash & Recycling customers for items that don't fit inside the regular green trash can or for large, bulky items. Special Pickups are available throughout the year for a fee of \$14.40 for up to 2.5 cubic yards of materials. Call (520) 458-7530 to arrange a pickup.

TreeCycle

Approximately 33 million real Christmas trees are sold in North America every year, according to the U.S. EPA. Luckily 93% of those trees are recycled through more than 4,000 available recycling programs. After the holidays, consider recycling your Christmas tree. Arrange to have your tree picked up at the curb on a Wednesday free of charge by calling (520) 458-7530. Please remove all ornaments and tinsel. Or you can drop your tree off at the City of Sierra Vista's Compost Facility located at 7201 E. Highway 90 near the Cochise County Transfer Station, Monday through Saturday from 8:00 a.m. to 2:30 p.m. Free yard (green) waste pickups are available throughout the year. Visit our website for more information.

Keep us on your fridge!
