**BICYCLE SAFETY**

**Bicycling Laws**

- **Always ride in the direction of traffic.**
- **Use hand and arm signals when turning or slowing down.**
- **All bicycle riders under 18 years of age are required to wear a helmet.**
- **At night, a white front headlight and rear reflector on your bike are required by law.**

**Legal Ways to Make a Left Turn**

- **Like other vehicles, look over your shoulder, signal, and move into the left turn lane when it’s safe.**
- **Go to the far side of the intersection, turn your bike, and use the roadway to cross as traffic from your right.**
- **Go to the far side of the intersection, turn your bike, and then walk your bike in the crosswalk.**

**Bicycling Tips**

- **A red rear taillight and brightly colored or reflective clothing is suggested for better night visibility.**
- **You may “take the lane” if the lane is not wide enough for both a car and bike.**
- **Check behind to make sure it’s safe, signal your intentions, then take the lane by riding one third to one half of the way into the lane. When safe and possible, move to the right to allow a following vehicle to pass.**
- **When using a shared path, give verbal alert to pedestrians of your intention to pass and provide at least 5 feet passing distance between you and pedestrians.**
- **Arizona’s climate can easily cause dehydration. Make sure you drink plenty of water.**

**BISBEEL LOOP**

A historic copper mining town dating from the 1880s, Bisbee is known for its many galleries, restaurants, coffee houses, and specialty shops.

**Distance:** 59.3 miles complete loop

**Route from Bisbee to Sierra Vista**

1. **Start** at the intersection of Hwy 92 and Hwy 90
2. **East** on Hwy 90 for 17 miles
3. **Right** (south) on Hwy 80 for 5 miles to N. Old Divide Road, 0.5 miles before the Mule Pass tunnel
4. **Left** on N. Old Divide Road for 1.3 miles
5. **Left** on West Boulevard for 0.5 miles
6. **Right** on Tombstone Canyon, then ride down the hill into Old Bisbee

**Notes:** Hwy 90 east descends to the San Pedro River (el. 4,460 ft.), then Hwy 80 climbs to Mule Pass tunnel (el. 6,024 ft.). Hwy 80 then descends from the tunnel into Old Bisbee. The tunnel can be avoided by turning left on N. Old Divide Road 0.5 miles before the tunnel entrance. Riding through the Mule Pass tunnel is dangerous and not recommended. If you should choose to ride through the tunnel, exit **right** onto Tombstone Canyon just after you exit the east end of the tunnel.

**Route to Sierra Vista from Bisbee**

1. **Rejoin** Hwy 80 on the east end of Old Bisbee. Continue east around the Lavender Pit to the traffic circle.
2. **Take the first exit** off the traffic circle towards Naco and Hwy 92
3. **Continue** west on Hwy 92 for 36 miles to Sierra Vista (Hwy 92 will turn north on the west side of Coronado Memorial Drive)

**Note:** Hwy 80 around the Lavender Pit has a narrow shoulder.
