TRASH & RECYCLING INFORMATION

REMEMBER THE THREE Rs

Private, fee-based curbside recycling collection is available in Sierra Vista for certain materials (check with providers for latest details). There are also several drop-off locations in and around Sierra Vista for a wide variety of recyclables to include items like paint, batteries, plastic bags, light bulbs, and more. Visit www.SierraVistaAZ.gov and search for “recycling opportunities” for more information.

And remember that “recycle” is only one of the Rs. It can be even more impactful to “reduce” and “reuse” materials. A quick internet search will yield many ideas for reducing and reusing stuff you might normally toss in the trash. Learn how to add shredded paper to your compost, find craft projects your kids will love, get off junk mail lists, and more!

ROLL-OFF DUMPSTER SERVICE

Got a big job that requires a large roll-off dumpster? The City of Sierra Vista has 30 cubic yard roll-off dumpsters available for residents and businesses at affordable rates. Roll-off dumpsters can be dropped off at your project and picked up when full. It’s as easy and convenient as that! Call (520) 458-5775 for more information and to inquire about rates.

GREASE RECYCLING

Collect your cooking oil and grease in a clean, dry container with a secure lid to avoid spills. Drop off your container at the City of Sierra Vista Compost Facility, 7201 E. Highway 90, Monday through Saturday, from 8:00 a.m. to 2:30 p.m.

GREEN WASTE RECYCLING

Yard trimmings and undecorated Christmas trees can be recycled too! Arrange to have your green waste picked up at the curb on a Wednesday by calling (520) 458-7530. You can also drop off your green waste at the City of Sierra Vista Compost Facility, 7201 E. Hwy 90, Monday through Saturday, from 8:00 a.m. to 2:30 p.m.

For further information, visit www.SierraVistaAZ.gov or call (520) 458-5775.
