## DONATE-A-TREE

Is your business or organization looking for a way to contribute to the community and the environment? Then the City of Sierra Vista's Donate-A-Tree Program is for you! A donation of a (15 gallon size or larger) tree would be a welcome addition to an area park. The tree(s) must be from the approved variety list, and will be planted at one of the parks here in Sierra Vista. For more information, call 520-458-7922.

## PHOTO POLICY

On occasion, Sierra Vista Leisure Services may take photos of participants enrolled in sponsored programs or using parks. Please be aware that these photos are for city and department use only and may be used in promotional materials in the future.

## REFUND POLICY

All requests for refunds must be submitted in writing, by email or in-person, at least 24 hours before the start of any reservation. Refunds can be applied as a household credit with 100% being refunded. Refunds issued back to a card or as a finance check will have a 15% administration fee assessed.

## TYPES OF PARKS

Community Parks are the only parks that have reservable ramadas, electricity, water access, and allow structures to be staked into the ground. Staking more than six inches into the ground at a park without a temporary structure permit may result in a fine.

## PARKS

### Community Parks

(Reservable)
