According to A.R.S. §9-463.01(T), cities may regulate land splits within its jurisdictional boundaries. The state law gives the City authority to determine the division lines, area, and shapes of the parcels. Neither a preliminary plat or a final plat is required but the resulting tracts, parcels, or lots, shall conform to applicable zoning requirements and other government codes and ordinances.

Lot Line Adjustments, Ties, and Minor Divisions

APPLICANTS: Please read and checkmark the boxes below to indicate that you meet all required submittal conditions. If you are unsure whether your proposed adjustment meets the requirements, please contact the Community Development department at (520) 417-4413 or planning@sierravistaaz.gov.

Pertinence (Only Checkmark Applicable)

Sierra Vista Development Code Section 151.19.008.A *Minor Lot Divisions – Applicability*

Each of the following shall be a minor subdivision subject to the requirements of the article:

1. The division of improved or unimproved land whose area is 2.5 acres or less into 2 or three lots or parcels for the purpose of sale or lease, where no new street is involved;
2. The division of improved or unimproved land for the purpose of sale, or lease, whether immediate or future, into 2 parts, where the boundaries of such property have been fixed by a recorded plat;
3. Lot line adjustments, whether or not a new lot is created;
4. Lot Ties, where two existing lots are joined by the removal of a lot line.

Pre-Submittal Meeting

Sierra Vista Development Code Section 151.19.008.B.1 *Minor Lot Divisions – Review, Approval, and Recordation*

1. A pre-application meeting is required prior to the formal submittal of the minor lot division application. The pre-application meeting provides an opportunity for the City and the applicant to review and exchange information regarding a proposed minor lot split prior to the preparation and formal submittal of a subdivision plat application.

Application Compliance Requirements

Sierra Vista Development Code Section 151.19.008.B.2.c *Minor Lot Divisions – Review, Approval, and Recordation*

1. Does not constitute a subdivision as defined in A.R.S. § 9-463.02(A) which would require compliance with subdivision platting requirements as stated in Section 151.19.004 of this Code.
2. Results in tracts or parcels which conform to the minimum lot size requirements of the property's zoning district;
3. Provides access to the proposed tracts, parcels, or lots in accordance with Section 151.08.006 of this Code;
4. Results in all existing buildings complying with the setback requirements of the property's zoning district.

I agree that the information provided above is correct and true. I understand the responsibility for code compliance rests with the applicant.
