How to Register for a Covid-19 Vaccine in Cochise County

Option 1: By Phone
Call 1-844-542-8201 to schedule an appointment through the Arizona Department of Health Services (ADHS) Vaccine Management System (VMS)
*Most providers in Cochise County are using the VMS
VMS can be used to register a loved one or family member

Option 2: On Website for Yourself or Someone else
- Visit https://podvaccine.azdhs.gov/ to find and schedule an appointment in the VMS
- You will need an email address to create an account for the VMS
- Once you have an account, you will need to input your information and answer screening questions
- If no appointment is available, you can log back in any time and check again for an available appointment
- Your personal information and insurance information will be saved after the 1st time you make an account, but you will have to answer the screening questions each time to determine if you meet eligibility for the available appointments
- For a list of providers in Cochise County who are not using the VMS, please visit https://www.cochisecovid.com/pages/vaccines
